## GATHERING, USE AND DISCLOSURE OF INFORMATION

---

**THIS SERVICE COLLECTS, USES, AND DISCLOSES A WIDE RANGE OF INFORMATION. USE EMPLOYER IDENTIFICATION NUMBERS ONLY. ALTHOUGH WE CANNOT PREVENT OR DETECT THIS REQUIREMENT, YOU AGREE NOT TO PROVIDE ANY SOCIAL SECURITY NUMBER(S).**

---

“Non-Personally-Identifying Information” is information that, without the aid of additional information, cannot be directly associated with a specific person. “Personally-Identifying Information,” by contrast, is information such as a name or email address that, without more, can be directly associated with a specific entity. This site gathers and uses both “Non-Personally-Identifying Information” and “Personally-Identifying Information”.

Company gathers BOTH Non-Personally-Identifying Information and Personally-Identifying Information. We gather information from both data entry and other sources, including the user’s Internet Protocol (IP) address, operating system, browser type and the locations of the websites the user views right before arriving at, while navigating and immediately after leaving the Website. It may be possible for Company to derive information from the information collected and you agree that Company can use this information for purposes it deems appropriate.

- **Web Cookies**

---

**YOU MIGHT SET YOUR BROWSER TO REFUSE WEB COOKIES BEFORE ACCESSING THE WEBSITE, WITH THE UNDERSTANDING THAT CERTAIN FEATURES OF THE WEBSITE MAY NOT FUNCTION PROPERLY WITHOUT THE AID OF WEB COOKIES. WEBSITE USERS WHO REFUSE WEB COOKIES ASSUME ALL RESPONSIBILITY FOR ANY RESULTING LOSS OF FUNCTIONALITY.**

---

A “Web Cookie” is a string of information which assigns you a unique identification that a website stores on a user’s computer, and that the user’s browser provides to the website each time the user submits a query to the website. We use cookies on the Website to keep track of services you have used, to record registration information regarding your login name and password, to record your user preferences, to keep you logged into the Website and to facilitate purchase procedures. Company also uses Web Cookies to track the pages that users visit during each Website session, both to help Company improve users’ experiences and to help Company understand how the Website is being used. Company may analyze and disclose such information and derivatives of the information for purposes it deems appropriate.

- **Third-Party Advertisers**

---

**WE MAY USE THIRD-PARTY ADVERTISING COMPANIES TO SERVE ADS WHEN YOU VISIT THE WEBSITE.**

---

These companies may use information about your visits to the Website and other websites in order to provide advertisements about goods and services of interest to you. You may be able to opt out of several third-party ad servers' and networks' Web Cookies simultaneously. You might research your options. For examples, visit the following sites:

- [Optout.networkadvertising.org](http://Optout.networkadvertising.org)
- [Preferences-mgr.truste.com](http://Preferences-mgr.truste.com)
- [Aboutads.info/choices](http://Aboutads.info/choices)

Company does not warrant adherence to any standard that will allow these resources to have any effect. Contact us if you would like to know the identity of the third-party advertising companies we are currently using to serve ads.

We may allow advertisers to choose the characteristics of users who will see their advertisements, and we may use any of the Non-Personally Identifying Information we have collected (including information you may have decided not to show to other users, such as your birth year or other sensitive personal information or preferences) to select the appropriate audience for those advertisements. We do not identify you to the advertiser.

- **Web Beacons**

---

**WE TRACK, USE, AND OPERATE ON INFORMATION THAT YOU MAY NOT BE AWARE OF, OR EVEN UNDERSTAND.**

---

A "Web Beacon" is an object that is embedded in a web page or email that is usually invisible to the user and allows website operators to check whether a user has viewed a particular web page or an email. Company may use Web Beacons on the Website and in emails to count users who have visited particular pages, viewed emails and to deliver co-branded services. Web Beacons are not used to access users' Personally-Identifying Information. They are a technique Company may use to compile aggregated statistics about Website usage. Web Beacons collect only a limited set of information, including a Web Cookie number, time and date of a page or email view and a description of the page or email on which the Web Beacon resides. You may not decline Web Beacons. However, they can be rendered ineffective by declining all Web Cookies or modifying your browser setting to notify you each time a Web Cookie is tendered, permitting you to accept or decline Web Cookies on an individual basis.

- **Analytics**

We may use third-party vendors, including Google, who use first-party cookies (such as the Google Analytics cookie) and third-party cookies (such as the DoubleClick cookie) together to inform, optimize and serve ads based on your past activity on the Website, including Google Analytics for Display Advertising. The information

collected may be used to, among other things, analyze and track data, determine the popularity of certain content and better understand online activity. If you do not want any information to be collected and used by Google Analytics, you can install an opt-out in your web browser (<https://tools.google.com/dlpage/gaoptout/>) and/or opt out from Google Analytics for Display Advertising or the Google Display Network by using Google's Ads Settings ([www.google.com/settings/ads](http://www.google.com/settings/ads)).

- **Specific and Aggregated Information**

We may share information that is specific to you as well as aggregated information. We may also share it with third parties and our affiliate companies to develop and deliver targeted advertising on the Website and on websites of third parties. We may combine information we collect with additional information collected from other sources. We also may share aggregated information with third parties, including advisors, advertisers and investors, for the purpose of conducting general business analysis. For example, we may tell our advertisers the number of visitors to the Website and the most popular features or services accessed. This information does not contain any Personally-Identifying Information and may be used to develop website content and services that we hope you and other users will find of interest and to target content and advertising.

- **Additional Terms**

Some additional terms are applicable to devices that may provide location or other data, inherent to the device capabilities. For examples:

- **Geo-Location Information.** We may access or track location-based information from your mobile device at any time while downloading or using our mobile application or our services.
- **Push Notifications.** We send you push notifications if you choose to receive them, letting you know when someone has sent you a message or for other service-related matters. If you wish to opt-out from receiving these types of communications, you may turn them off or block them in your device's settings.
- **Mobile Analytics.** We use mobile analytics software to allow us to better understand the functionality of our mobile software on your phone. This software may record information, such as how often you use the application, the events that occur within the application, aggregated usage, performance data and where the application was downloaded from.

## **SOCIAL MEDIA**

We may provide you the option to connect your account on the Website to your account on some social networking sites for the purpose of logging in, uploading information or enabling certain features on the Website. When logging in using your social network credentials, we may collect the Personally-Identifying Information you have made publicly available on the social networking site, such as your name, profile picture, cover photo, username, gender, friends network, age range, locale, friend list and any other information you have made public. Once connected, other users may also be able to see information about your social network, such as the size of your network and your friends, including common friends. By connecting your account on the Website to your account on any social networking site, you hereby consent to the continuous release of information about you to us. We will not send any of your account information to the connected social

networking site without first disclosing that to you. Each social network may further allow you to set privacy controls around your information on their system, and our collection of information will always follow such controls and permissions. This feature is subject to continuous change and improvement by us and each social networking site involved, and therefore the available features and shared information are subject to change without notice to you.

We may use hyperlinks on the Website which will redirect you to a social network if you click on the respective link. However, when you click on a social plug-in, such as Facebook's "Like" button, that particular social network's plugin will be activated and your browser will directly connect to that provider's servers. Settings regarding privacy protection can be found on the websites of these social networks and are not within our control.

While we work hard to earn your trust and provide useful products, you may have comments about our services and products. Legatus does not regard social media as a proper forum for product "dialog" but instead encourage you to work directly with us if you should be dissatisfied. Legatus will attempt to resolve or counter false claims, as our reputation is important.

## **COLLECTION, USE AND DISCLOSURE OF INFORMATION**

By the nature of the business processes that Legatus and Website involve, information is collected, organized, combined, and disclosed. By using this site, you agree to this policy.

---

**BY REGISTERING WITH OR USING THE WEBSITE, YOU CONSENT TO THE USE AND DISCLOSURE OF YOUR PERSONALLY-IDENTIFYING INFORMATION AS DESCRIBED IN THIS "COLLECTION, USE AND DISCLOSURE OF PERSONALLY-IDENTIFYING INFORMATION" SECTION.**

---

- **Website Registration**

That information may include each user's name, address, email address and telephone number, and, if you transact business with us, financial information such as your payment method (valid credit card number, type, expiration date or other financial information). We also may request information about your interests and activities, your gender, age, date of birth, username, hometown and other demographic or relevant information as determined by Company from time to time. You may also provide information about operations, including but not limited to location, cargo, movement, fuel, taxes. Users of the Website are under no obligation to provide Company with Personally-Identifying Information of any kind, with the caveat that a user's refusal to do so may prevent the user from using certain Website features.

## Online Postings

---

**USERS ASSUME ALL RESPONSIBILITY FOR ANY LOSS OF PRIVACY OR OTHER HARM RESULTING FROM THEIR VOLUNTARY DISCLOSURE OF PERSONALLY IDENTIFYING INFORMATION.**

---

Certain Personally-Identifying Information collected from users may be used and disclosed as a matter of course as a result of your use of the Website. We may provide areas on the Website where you can post reviews and other information relating to your activities on the Website. Such postings are governed by our Terms of Use. In addition, such postings may appear on other websites or when searches are executed on the subject of your posting. Also, whenever you voluntarily disclose personal information on publicly-viewable web pages, that information will be publicly available and can be collected and used by others. For example, if you post your email address, you may receive unsolicited messages. We cannot control who reads your posting or what other users may do with the information you voluntarily post, so we encourage you to exercise discretion and caution with respect to your personal information.

- **Company Communications**

We may occasionally use your name and email address to send you notifications regarding new services offered by the Website that we think you may find valuable. We may also send you service-related announcements from time to time through the general operation of the service. Generally, you may opt out of such emails at the time of registration or through your account settings, though we reserve the right to send you notices about your account, such as service announcements and administrative messages, even if you opt out of all voluntary email notifications.

- **Company Disclosures**

Company will disclose Personally-Identifying Information under the following circumstances:

- **By Law or to Protect Rights.** When we believe disclosure is appropriate, we may disclose Personally-Identifying Information in connection with efforts to investigate, prevent or take other action regarding illegal activity, suspected fraud or other wrongdoing; to protect and defend the rights, property or safety of Company, our users, our employees or others; to comply with applicable law or cooperate with law enforcement; to enforce our Terms of Use or other agreements or policies, in response to a subpoena or similar investigative demand, a court order or a request for cooperation from a law enforcement or other government agency; to establish or exercise our legal rights; to defend against legal claims; or as otherwise required by law. In such cases, we may raise or waive any legal objection or right available to us.

- **Third-Party Marketing Communications.** Unless users opt-out from receiving marketing materials upon registration, Company may provide users' email information to third parties, so that those third parties may directly contact them about additional products and services. To cease having your email

information provided to third parties, you may do so by going to your account settings (if applicable) or contacting us using the contact information below. Even after opting-out, you may continue to receive marketing emails from third parties to whom Company already has provided your email information. You will be responsible for directly contacting such third parties to request cessation of further marketing emails.

- **Third-Party Service Providers.** We may share your Personally-Identifying Information, which may include your name and contact information (including email address) with our authorized service providers that perform certain services on our behalf. These services may include fulfilling orders, providing customer service and marketing assistance, performing business and sales analysis, supporting the Website's functionality and supporting contests, sweepstakes, surveys and other features offered through the Website. The third-party provider may also use the information for their own processes or promotions, and any opt-in or opt-out functions are between you and the other party. We may also share your name, contact information and credit card information with our authorized service providers who process credit card payments. These service providers may have access to personal information needed to perform their functions but are not permitted to share or use such information for any other purpose.

**Business Transfers; Bankruptcy.** Company reserves the right to transfer all Personally-Identifying Information in its possession to a successor organization in the event of a merger, acquisition, bankruptcy or other sale of all or a portion of Company's assets. Other than to the extent ordered by a bankruptcy or other court, the use and disclosure of all transferred Personally-Identifying Information will be subject to this Privacy Policy, or to a new privacy policy if you are given notice of that new privacy policy and are given an opportunity to affirmatively opt-out of it. Personally-Identifying Information submitted or collected after a transfer, however, may be subject to a new privacy policy adopted by the successor organization.

To make this request, either go to your account settings (if applicable) or contact us as provided below. We will retain in our files some Personally-Identifying Information to prevent fraud, to troubleshoot problems, to assist with any investigations, to enforce our Terms of Use and to comply with legal requirements as is permitted by law. Therefore, you should not expect that all your Personally-Identifying Information will be completely removed from our databases in response to your requests. Additionally, we keep a history of changed information to investigate suspected fraud with your account.

We may compare and review your Personally-

Identifying Information for accuracy and to detect errors and omissions. We may use financial information or payment method to process payment for any purchases made on the Website, enroll you in the discount, rebate, and other programs in which you elect to participate, to protect against or identify possible fraudulent transactions and otherwise as needed to manage our business.

## **COLLECTION AND USE OF INFORMATION BY THIRD PARTIES GENERALLY**

Company contractually prohibits its contractors, affiliates, vendors and suppliers from disclosing Personally-Identifying Information received from Company, other than in accordance with this Privacy Policy. However, third parties are under no obligation to comply with this Privacy Policy with respect to Personally-Identifying Information that users provide directly to those third parties, or that those third parties collect for themselves. These third parties include advertisers, providers of games, utilities, widgets and a variety of other third-party applications accessible through the Website. Company neither owns nor controls the third-party websites and applications accessible through the Website. Thus, this Privacy Policy does not apply to information provided to or gathered by the third parties that operate them. Before visiting a third party, or using a third-party application, whether by means of a link on the Website, directly through the Website or otherwise, and before providing any Personally-Identifying Information to any such third party, users should inform themselves of the privacy policies and practices (if any) of the third party responsible for that website or application, and should take those steps necessary to, in those users' discretion, protect their privacy.
